June 24, 2010

On behalf of the Secure Energy for America Political Action Committee (“SEAPAC”), please consider joining us to become a member of the SEAPAC Chairman’s Club on Thursday, July 22, 2010 at 6:30 pm for a cocktail hour at the Chestnut Ridge Golf Resort and Conference Center in Blairsville, PA.

SEAPAC, a non-connected Political Action Committee, was established in 2009 to support a U.S. energy policy that effectively utilizes coal and gas. SEAPAC’s goal is to be a strong voice for energy at the Federal level by supporting the efforts of Members of Congress who recognize that American energy remains central to a vibrant and growing U.S. economy. SEAPAC is helping by bringing this necessary message directly to the members of Congress. Your help is of critical importance to getting this job done.

The Chairman’s Club gathering is prior to the *Secure Energy for America Tour* featuring country singer Chris Higbee at 7:30 pm the same evening. Your membership into the Chairman’s Club reserves your seat at the concert. SEAPAC has three levels of contributions: Bronze - \$1,000+, Silver \$2,000+ and Gold \$5,000 per individual. Please RSVP to Linda Patrick at [lpattickseapac@aol.com](mailto:lpattickseapac@aol.com) or [tami.wilson@fennerdunlop.com](mailto:tami.wilson@fennerdunlop.com) and make your **personal checks** payable to SEAPAC, 1776 I Street, NW – Suite 255, Washington, DC 20006-3750.
